Requirements for CICM

- PGY2+
- Pay money
- **Work 6 months in ICU**
 - (And get references)
- Easy to get on
- Jobs can be hard to find
- 5½ years minimum (3 ICU, 1 gasing, 1 med, ½ elective)

Requirements for ANZCA

- PGY2+
- Pay money
- ~35-40 positions state wide/year
- **Interview** ~2:1
- Guaranteed job
- 4 years and a Fellowship

Requirements for ACEM

- Be a citizen or PR of Aus/NZ
- PGY2+ to apply
- Completed at least 1 PGY2+ ED term
- Four ED referees, including DEMT, senior FACEM, senior RN/non-FACEM consultant
- Hospital reference
- Selection based on CV, you referees, and hospital reference
- 5 years (4 ED, ½ non-ED, ½ ICU/anaesthetics)

My path – Not the only path

- Internship
- Critical Care HMO2
- Critical Care HMO3
 - (Joined CICM)
- ICU Registrar
 - (Jointed ANZCA)

- Internship
- Medical year?
- Surgical year?
- Critical Care/Medical
- Critical care

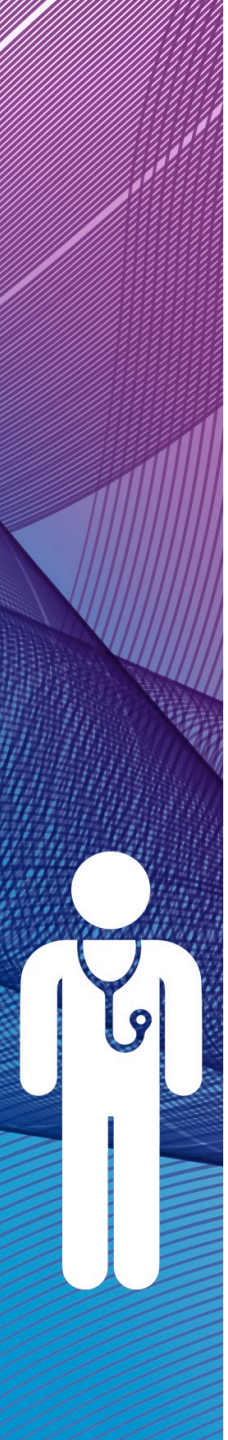

Extracurriculars

- Do something you like
- Master of Public Health
 - Probably not worth it on its own
- Master of Perioperative Medicine
 - Ehhhhhhhhh
- Research
 - If you like it

Extracurriculars

- Teaching
- Courses
 - Alphabet courses
 - ALS2
 - APLS
 - EMST
 - ATACC
 - Some are good, some are bad
 - Airway courses
 - Ultrasound

Extracurriculars

- Conferences
 - SMACC
 - Other, lesser, conferences
- Posters – easy
- Meet people
- Inspiration
- Team/life stuff
 - Army reserve
 - Sport
 - Volunteering

The Bottom Line

- Clinical stuff matters most
- Work with the people who do the selecting
- Be:
 - Good (or at least teachable)
 - Keen
 - Likeable
 - Willing to work
- Have something else
 - Be interested in it
